President  
The Rockefeller University  
1230 York Avenue  
New York, New York 10021

Dear Dr. Lederberg,

My role as editor forces me to remind you  
of your agreement to contribute a paper to  
the New York Academy of Sciences' volume  
in honor of Robert K. Merton.

For no particular reason, the publication  
schedule has been delayed. I shall be  
able to accept manuscripts until mid-  
December, although I would prefer to have them  
sooner.

I would appreciate a word indicating that  
you are preparing a short paper, and the expected  
date of completion.

Many thanks.

Sincerely, .
